DE LA SOCIÉTÉ LIBANAISE DE PNEUMOLOGIE**  
**THE 2018 ANNUAL MEETING  
OF THE LEBANESE PULMONARY SOCIETY**

**12 - 14 APRIL, 2018**

Phoenicia Hotel | Beirut - Lebanon

Dear Friends and Colleagues,

It is with a great pleasure that I invite you all to the Lebanese Pulmonary Society Annual Meeting in April 12-14, 2018.

This year, like the past years, we will have eminent local and international speakers presenting in addition to the state of the art workshops.

The success I foresee relies greatly on the international collaboration with the AFLP (Association Franco-Libanaise de Pneumologie), SPLF (Société de Pneumologie de la Langue Française) and EFP (Espace Francophone de Pneumologie).

Our joint efforts lead to a global dimension enriched by the speakers' expertise in the fields of Pulmonary Medicine and related sciences.

I am confident that this educational opportunity will be only matched by the social entertainment offered by our enchanting Beirut and beautiful Lebanon.

I am looking forward to meeting every single one of you.

Chers Amis et Collègues,

C'est avec un immense plaisir que je vous invite à participer au congrès annuel de la Société Libanaise de Pneumologie qui se tiendra à Beyrouth du 12 au 14 avril 2018.

Cette année, comme par les années précédentes, d'éminents conférenciers locaux et internationaux présenteront les dernières nouveautés dans notre domaine ainsi que des ateliers interventionnels.

Le succès que je prévois repose en grande partie sur la collaboration avec l'AFLP (Association Franco-Libanaise de Pneumologie), la SPLF (Société de Pneumologie de la Langue Française) et l'EFP (Espace Francophone de Pneumologie).

Nos efforts communs conduisent à une dimension globale enrichie par l'expertise des intervenants dans les domaines de la pneumologie et des autres spécialités.

Je suis certain que cette opportunité éducative serait en grande partie appuyée par le charme de notre cité Beyrouth et de notre agréable Liban.

En attendant de vous accueillir, veuillez agréer mes salutations les plus sincères.

Salah Zeineldine, MD FACP  
President, Lebanese Pulmonary Society  
Président de la Société Libanaise de Pneumologie
